Application Processing Fee

HL Property Management requires a **\$45.00 Application Processing Fee** from each adult applicant, including \$45.00 for each spouse.

Who Must Complete an Application?

Every adult (18 years old and over) who will occupy the property being rented must submit an application along with a copy of a current and valid form of photo identification.

What is the Application Processing Fee Used and Can I obtain a Refund?

The Application Processing Fee is used by HL Property Management to obtain a credit report for each applicant from a national credit reporting agency, verification of applicants' employment and landlord references, processing the application and notifying the applicant if their application has been accepted or rejected. HL Property Management charges you our actual cost for obtaining a credit report and \$35 per hour for our other services in processing an application. If our costs exceed the \$45.00 per person there is no additional charge. If our costs are less than the \$45.00 per person, we will refund the difference. If you provide a credit report from a national credit reporting agency that has a "credit score" and the report was created within 90 days of your application date, we will waive our costs for that amount of the Application Processing Fee. Regardless of the reason, you are not entitled to a refund of your application fee just because your application is not accepted by the landlord.

Equal Opportunity Housing. It is the policy of HL Property Management and the landlords we represent, to provide equal opportunity in housing. We comply with all Federal, State and local laws prohibiting discrimination based on race, ethnic background, sex, religion, marital status, disability, sexual preference or orientation. If you have questions or complaints regarding our discrimination policy, please contact the US Department of Housing & Urban Development at 415-556-5096 or the California Department of Fair Employment and Housing at 415-557-2325.
